

Weekly Report 2016.09.12-2016.09.18

Progress:

1. **Huawei Project**
2. **Temporal Ensemble Rankings**
3. **TCPTree**

We are working on the partition interactions of the tree this week, I think we can finish the system this week.

4. **Jov paper**

This week I revised the paper and submitted the revision.

Plan:

1. **Huawei Project**

Finish the interactions.

Finish the requirement analysis.

2. **Vis Submission**

Finish the motivation of this work.

3. **TCP Tree**
